Mini-Tournament Format

Round Robin: Each Mini-Tournament starts as a Round Robin format where you will be paired up with different players each game. At the end of the Round Robin, players will all be ranked based on their Wins and Losses combined and points differential. These player rankings will be used to pair players with a teammate for the second portion.

Bracket Play: Paired players are then placed into a single-elimination Bracket where they will compete to place overall in the tournament.

Ratings: Note that your placement in the tournament **will not** affect your Pickleball Brackets rating or Club Rating however the winner of an Intermediate+ Mini-Tournament qualifies to move into the Advanced level play with SPC.
